Last night, Governor Walz announced further steps to prevent and respond to the pandemic. Along with many individuals, organizations and businesses, Glensheen will also be greatly impacted.

Following Minnesota's Stay Safe guidelines, **Glensheen will temporarily close beginning Saturday, November 21, 2020, lasting for a period of 4 weeks. All tours and events will be cancelled.**

The closure includes the following: All in-person Mansion Tours, Christmas PhotoMeet, Members Spirit of the Lights Sneak Peek, and access to the Spirit of the Lights display.

Even though our in-person experiences are being put on pause, we plan to help bring a little holiday cheer to you digitally...

We will be offering various live and virtual tours of the mansion and Christmas experiences at Glensheen to help keep the holiday cheer alive.

Expect more Christmas with Jane videos, live Christmas tours, and more. Do you have a request? Let us know! We love to hear about what our fans want to see and learn about.

Since this announcement was made on the eve of Give to the Max Day, this closure presents an accelerated urgency for the support of local nonprofits and organizations. We encourage you to consider supporting Glensheen to help us Celebrate Preservation for generations to come. There are many ways to support Glensheen. Here are a few:

- **Become a Member**
  - If you become a member before the end of the year, we are offering to double the length of an annual membership to 2 years. This means that for the same value as 1 year, your membership would not expire until 2022!

- **Donate**
  - Today, Glensheen preserves the work of some of the brightest and most creative individuals in Minnesota history. However, after enduring for more than a hundred years, repairs are needed to bring Glensheen back to its original vision.
